## Lightish Extension

### 6 Meter - With Pigtails

#### FEATURES

- VERSATILE CONNECTIVITY**  
 Offers Xconnect or RayWu pigtails, ensuring wide compatibility.
- HIGH QUALITY CABLE**  
 With 3 copper wires of 0.75mm<sup>2</sup>, ensuring low resistance minimizing the voltage drop in the installation.
- WEATHER RESISTANT**  
 UV rated and IP67 certified, making it suitable for indoor and outdoor use.
- PRACTICAL DESIGN**  
 Available in black with an approximate cable diameter of 6.6mm, blending seamlessly into most setups.

#### APPLICATIONS

- GARDENING AND LANDSCAPING
- ART DISPLAYS
- FESTIVE LIGHTING
- HOLIDAY LIGHT SHOW

#### GENERAL DISCRIPTION

Maximize your lighting with the Lightish Extension lineup. Enjoy seamless connections with easy-to-use pigtails, available in various lengths to suit any setup.
